

NORTH FULTON COMPREHENSIVE TRANSPORTATION PLAN

INTRODUCTION

The North Fulton Comprehensive Transportation Plan (NFCTP) seeks to address economic prosperity and quality of life through multimodal transportation solutions. An update to the 2010 NFCTP, the plan is a joint effort between the Atlanta Regional Commission (ARC) and the six North Fulton cities and provides an opportunity for the municipalities to plan together while informing the regional transportation planning process. The plan will ultimately establish a vision that documents transportation priorities for North Fulton County.
